Our vision

CREATE MENTALLY HEALTHY WORKPLACES AND INSPIRE HEALTH CREATION IN BUSINESSES.

"I'm inspired by our members. They continue making further positive strides to create and maintain healthier and happier workplaces, as shown by the results of our annual Thriving at Work Assessments. As a member-led organisation, we deeply value their input and insights and rely on their participation to drive the strategic direction of the organisation." - Peter Reynolds, Group Chief Strategic Development Officer, FWD Group and CMHA HK Board Chair

WE BELIEVE WORKPLACES SHOULD BE PLACES WHERE MENTAL HEALTH AND WELLBEING:

- ✓ is no longer stigmatised
- ✓ Is a boardroom priority
- ✓ are part of the solution to mental health issues faced globally

WHO WE ARE

The City Mental Health Alliance Hong Kong is a not-for-profit membership organisation. We are an alliance of businesses, working together with mental health experts and partner organisations, to achieve our vision that every workplace will protect, support and create positive mental health for their people. We provide locally relevant training and resources to member and non-member organisations and undertake research within our region. We bring our members together to collaborate and share best practice via a range of events and working groups. Our Board is comprised of representatives from our member companies and we are advised by experts. Meet our team and our Board members [here](#).

Areas of Focus

The [CMHA HK Guide to Thriving at Work](#) is a framework adapted by CMHA HK members to suit local business conditions and support the development of strategies that underpin mentally healthy workplaces. We use this framework to inform our key focus areas outlined below.

Resource & Data Collection

CMHA HK is committed to supporting its members and the broader community with insightful research such as our [Analysis of the Economic Costs of Mental Ill Health](#) and a series of [employee wellbeing surveys](#).

The Thriving at Work Self-Assessment is a benchmarking survey based on the Guide to Thriving at Work standards. On completion of the survey, organisations receive an individual company report and 1:1 feedback session. The survey is a CMHA HK member benefit but also available for non-members at a cost. Please [contact us](#) to discuss further.

Toolkits & Resources

We create a number of member-only and publicly available toolkits and resources on topics related to workplace mental health and wellbeing, including:

- [CMHA HK Guide to Thriving at Work](#): a framework to support the development of a workplace mental health strategy
- [‘How to’ Guide series](#): stepwise guides to support the implementation of key workplace mental health strategies and initiatives
- [Case Studies](#): case studies featuring insights, challenges and successes from Alliance members on their mental health initiatives and programmes.
- [Expert Series](#): summary articles from CMHA HK panel events, tips from mental health experts and member sharing.
- [Mental Health Toolkits](#): comprehensive themed step-wise guides and resources focused on resilience-building.

Training

Our training content has been developed with input from our members and mental health experts to create modules and resources which meet the needs of corporate environments.

Training sessions and resources are offered in English, Cantonese and Mandarin and are available for member and non-member organisations. Most modules can be delivered within a 'lunch & learn' timeframe.

Visit our [Training page](#) for information on training modules and pricing.

Events

CMHA HK hosts a number of member-only sharing sessions, workshops and global webinars throughout the year. Topics are based on the Guide to Thriving at Work as well as our annual themes.

We also partner with global and local events and conferences and use these as a platform to showcase CMHA HK work.

MENTAL HEALTH FIRST AID (MHFA) MODULES

Intro to MHFA

An overview and Q&A session to encourage enrolment in training

MHFA

MHFA is a 12 hour training, delivered virtually or in-person

MHFA provides you with knowledge and practical skills to support someone in a time of mental health crisis, giving you the confidence to act as a first-responder to support their mental health and then direct them to the care of trained mental health professionals if required. Find more information about the course [here](#).

- CMHA HK Members receive 2 hours of training (or alternative engagements e.g. panel appearance) per membership year plus access to digital training clips on workplace mental health.
- Additional training sessions can be arranged at a discounted member rate.
- Training is delivered virtually or in-person and can be delivered in English, Cantonese and Mandarin.
- Our trainers are all mental health professionals.
- Training is also available for non-members.

•Please contact the [Training Team](#) for more information.

CMHA HK Member Responsibilities

The City Mental Health Alliance Hong Kong is led by members and guided by experts. Our members are responsible for driving the vision and strategy of the organisation.

We ask that our members:

- Commit to the promotion of mental health and wellbeing within their organisation
- Assign a senior sponsor and operational lead as primary contact for the CMHA HK
- Actively participate in the CMHA HK program of events, surveys and the Thriving at Work self-assessment
- Be prepared to assist CMHA HK in the hosting of member events

Membership Fee: \$99,000 HKD per annum

We welcome the opportunity to discuss further and look forward to hearing from you.

“We appreciate the support we have received from CMHA HK so far. The advice and training provided by the team has helped tremendously in formulating and implementing our mental health policy and strategy. We look forward to the continued partnership with CMHA HK to help take our effort to the next level.”

SFC, CMHA HK Member
